Greetings one and all

GRAND MASTER'S MESSAGE

I hope that this newsletter finds you all in good health.

As you all know, April was a very quiet month with most of us in a lockdown to prevent catching the Coronavirus.

What an experience, who would have thought that something like this will ever happen in our time.

It is quite an awakening experience for us all. Life has changed, instead we go to church, the church comes to us on TV. No socializing, no meetings, the only communication is by phone or social media.

It is something very unusual watching Chevalier Fr. Antonio Manuel Martins Parish Priest of Paróquia de Paranhos in Porto Portugal and Mons. Fr. Jimmy Xerri Parish Priest of Nadur in Gozo, saying Mass every day on TV.

All the plans for the celebration of the feast of St. Peter and Paul for this year has been cancelled, now all we can hope and pray is that the Coronavirus will die, so we can go back to the way we were and start helping those in need.

Stay safe. Stay at home.

With God’s blessings.

His Excellency Bishop Giovanni Cefai don’t have the luxury to sit in the office or sit on the throne much. He helps his parishioner by carrying bags on his shoulders and deliver food to the poor.

He said, we are supporting families in need at this time of quarantine. Thanks to Caritas Peru and also to our benefactors and friends that made it possible for us to reach out and give a helping hand. God bless you all. Thank for your support and prayers. Blessings.

MESSAGE FROM THE GRAND PRIOR OF GERMANY
Chevalier Peter Michael Neuen

Recently I visited our church of St. Ullrich in Deidesheim, where I had the church just for myself and prayed alone.

I prayed that Coronavirus would spare my family, my friends and I prayed especially for our Confraternity that life would soon return to normal.

I wish you, your family and all the brothers and sisters of our confraternity a peaceful and contemplative Easter and may our Lord in heaven protectively hold his hand over you.
